*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book contains several revelations of Hell that God has given to various people around the world. These messages should be taken very seriously. There are many, many people in Hell right now that thought they were right with God but they found out at the moment of their death that they were not, because of sin and disobedience in their lives, and then they found themselves in Hell. Because of this it is eternally vital that you read these testimonies of Hell and to repent of any and all sins. As God commands us in Philippians 2:12, Work out your own salvation with fear and trembling. I wish there was a softer way to give all these messages, but satan has been so effective at deceiving so many of us that I have to give these messages full strength as God has provided these revelations to many around the world. And it is God's mercy that He gives us these warnings - But we must believe and act on His warnings - otherwise we will be doomed to Hell forever. And God is trying so desperately for our sake to help us avoid this eternal fate of torment. If you discount or ignore these warnings then you will only have yourself to blame for ending up in Hell. God is trying everything He can to save you and to keep you. - But it is up to you to listen to Him, to believe Him, and to obey Him as He commands throughout all His word in the Bible - both Old and New Testament.
