Diane Karchner, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Losing the Mask: Overcoming the Fear of Failure is about living an authentic life, and pursuing your God-given dreams. Often we pretend to be something we are not. We hide behind a mask to give the illusion that we are something we are not. We hide to avoid taking risks. We hide because we are scared of failing. But hiding, although it may feel safe and comfortable, can become heavy with the weight of lost opportunities. Take no risk, there is no chance of failure. Take no risk, and you never build the resilience it takes to get strong. And sadly, take no risk, and there is no chance of feeling the exhilaration of success, and of reaching your dreams. Throughout the book, Diane shares her own experiences of overcoming the fear of failure, as well as what she has learned from 20 years of mentoring and managing people. Overcoming the fear of failure is worth every bit of effort it may take. Dreams longed shelved because of fear can be rekindled, and achieved. As Diane shares, overcoming the fear of failure is just a step at a time. Losing the Mask can provide the kick you may need to get out of seat, on your feet, and taking steps toward achieving your dreams.
