Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . But before I proceed any further I will state the reason why it costs so little to galvanise, otherwise to zinc Iron, c. I claim the merit and honor of being the first individual that ever promulgated in this country the knowledge, that sulphuric acid, that has been made use of for refining oils, is the article they...
