Paperback. Book Condition: New. Paperback. 283 pages. Childhood friends Lynn and Marv, now in their late twenties, have taken different roads. One is a struggling musician, the other a salesman for a software company. One night far from home, a mix of alcohol, recklessness and coincidence reunite them with Caroline, the longtime object of their desires. Married into a wealthy Chicago family and unhappy, she begins an affair with Marv. A few weeks later, when Caroline is arrested and charged with murdering her husband and infant son, the unwelcome mystery pursues the friends through their searches for love, stabs at success, self-destructive lapses and leads one of them to his death. What Smiled at Him is an unorthodox, contemporary mystery in which the protagonists have the means to solve a mystery, but flounder at the threshold of solving it. It reads fast but is loaded with trenchant observations on modern relationships, growing up, and happiness that will give the reader pause. -Kevin Kosar, author of Whiskey: A Global History Praise for Dodds The Last Bad Job The Last Bad Job (shows) something that very few writers have; a species of inner talent that owes very little to other people. -Norman Mailer No one has done the Apocalypse better! From the opening scene to the final shocking line, this book is...
