FUNDAMENTALS OF LOGIC DESIGN: FOURTH EDITION

Jaico Publishing House, 2006. Paperback. Book Condition: New. 4th edition. Although many texts are available in the areas of switching theory and logic design, this text was developed specifically to meet the needs of a self-paced course in which students are expected to study the material on their own. The text is suitable for both computer science and engineering students. All material relating to circuit aspects of logic gates is contained in Appendix A so that this material can conveniently...

Reviews

This pdf may be worth a read through, and much better than other. It is really basic but unexpected situations inside the 50 percent of your publication. I am delighted to let you know that this is basically the very best publication i have got read within my individual existence and can be he best pdf for ever.
-- Linwood Reichel

This publication is definitely worth buying. It typically is not going to price an excessive amount of. I found out this publication from my i and dad recommended this ebook to find out.
-- Serenity Runolfsson
