Brand New Book ***** Print on Demand *****.Was he just a thirteenth-century hippy who preached to birds and loved animals and the great outdoors? Or was there more to this man? Why has St. Francis of Assisi captured the imagination of so many, even well-beyond the boundaries of the Catholic Church, capturing the imagination not only of other Christians but even of non-believers? Fr. John Anglin, OFM, a Catholic priest for forty-four years and a Franciscan friar for fifty years shows how this holy man from the thirteenth-century chose a life of living the gospel of Jesus Christ in a way that everyone could follow. In *Following Jesus in the Footsteps of Francis*, Fr. John explains the spiritual vision of St. Francis and those who came after him. He sets forth the theological and spiritual vision of this great saint and explains how this vision shapes the lives of those who would follow Jesus in this way, whether they are members of the Franciscan order or ordinary folks who simply want to live out the vision of this holy man. Above all, he shows how this eight-century-old vision still inspires people today.
