I REMEMBER, DADDY: THE HARROWING TRUE STORY OF A DAUGHTER HAUNTED BY MEMORIES TOO TERRIBLE TO FORGET

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, I Remember, Daddy: The Harrowing True Story of a Daughter Haunted by Memories Too Terrible to Forget, Katie Matthews, Katie's memories of her childhood were patchy. She'd always remembered her father's physical abuse, his anger and violence. But there was a lot she had forgotten. And, at the age of 24, after the birth of her son, the memories that were gradually unlocked with the help of a psychiatrist were far more terrible. Katie had grown up living in fear. But when she started a family of her own, and began to see a psychiatrist to help her cope with the debilitating post-natal depression she was suffering, she was forced to recall memories that were even more horrifying. Memories of the sexual abuse her father had subjected her to from the age of 3, which her mind had locked away for over twenty years. And memories of all the other horrific incidents from her childhood that she'd dared not remember until then. During the months that Katie remained in the psychiatric hospital, the locked doors in her mind gradually opened, releasing the trauma...
