latest neuroscience help you achieve your own dreams of financial prosperity. The Law of Attraction shows us how to use the scientific principles we live with in order to deliberately attract into our lives those things that we most desire. The Secret to Money Mastery is a personal finance book that focuses on how you can attract financial independence to yourself. It combines the latest research on neuroscience with sound money management principles. Your subconscious mind is immensely powerful. Its impulses travel at 100,000 mph, compared to about 120 mph for impulses in your conscious mind. Likewise, it processes 400,000,000,000 bits of information per second, compared to about 2,000 bits per second that your conscious mind processes. And, your subconscious mind is orders of magnitude better at achieving goals than your conscious mind is. The Secret to Money Mastery teaches you a simple process that will program this phenomenal supercomputer within you. Once programmed, your subconscious mind will carry you toward your own picture of financial independence, automatically, 24 hours a...
