RELIGION, SCIENCE, AND MAGIC: IN CONCERT AND IN CONFLICT

[DOWNLOAD](#)

Oxford University Press. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 8.3in. x 5.8in. x 0.7in. Every culture makes the distinction between true religion and magic, regarding one action and its result as miraculous, while rejecting another as the work of the devil. Surveying such topics as Babylonian witchcraft, Jesus the magician, magic in Hasidism and Kabbalah, and magic in Anglo-Saxon England, these ten essays provide a rigorous examination of the history of this distinction in Christianity and Judaism. Written by such distinguished scholars as Jacob Neusner, Hans Penner, Howard Kee, Tzvi Abusch, Susan R. Garrett, and Moshe Idel, the essays explore a broad range of topics, including how certain social groups sort out approved practices and beliefs from those that are disapproved--providing fresh insight into how groups define themselves; magic as an insiders term for the outsiders religion; and the tendency of religious traditions to exclude the magical. In addition the collection provides illuminating social, cultural, and anthropological explanations for the prominence of the magical in certain periods and literatures. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
