

History and Social Theory (2nd Revised edition)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Polity Press. Paperback. Book Condition: new. BRAND NEW, History and Social Theory (2nd Revised edition), Peter Burke, What is the use of social theory to historians, and of history to social theorists? In clear and energetic prose, a pre-eminent cultural historian here offers a far-reaching response to these deceptively simple questions. In this classic text, now revised and updated in its second edition, Peter Burke reviews afresh the relationship between the fields of history and the social sciences and their tentative convergence in recent decades. Burke first examines what uses historians have made -- or might make -- of the models, methods, and concepts of the social sciences, and then analyzes some of the intellectual conflicts, such as the opposition between structure and human agency, which are at the heart of the tension between history and social theory. Throughout, he draws from a broad range of cultures and periods to illustrate how history, in turn, has been used to create and validate social theories. This new edition brings the book up to date with the addition of examples and discussions of new topics such as social capital, globalization and post-colonialism. The second edition of History and Social Theory will continue to stimulate both students and scholars across a range of disciplines with its challenging assessment of the roles of history and social science today.
