Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

A BOY'S GUIDE TO TRACK AND FIELD

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, A Boy's Guide to Track and Field, Sabrina Broadbent, Lem Gulliver (25, maths teacher), can't seem to leave home. His mother (46, courtroom artist) and step-father (49, AA patrol man), make no secret of the fact that he's become a cuckoo in the nest but since his girlfriend left him for a dog trainer, Lem has returned to his natural state of emotional drift. He can't understand how the people around him manage the plot of a grown-up life. A Boy's Guide to Track and Field starts at Walthamstow and travels southbound towards Brixton; the reader is swept along with Lem in a review of the past which gradually accelerates into the present.
