Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book will help investment professionals pass the Series 7 General Securities Representative Qualification Examination. It contains ten 125-question practice exams followed by a study outline. The sample questions are the type that are most likely to appear on the Series 7 test and are in the same format as those on the exam. The questions are straightforward multiple choice questions with four choices and one best answer. Part I of this book contains the ten sample exams with a total of 1,250 questions. Each 125-question practice test is followed by the answer key. After the answer key, each practice exam is repeated with the answers shown and the formulas for the math questions. Part II of this book has a study guide in outline form. There is a section for each topic covered on the Series 7 exam, including regulatory requirements, customer s profile, customer accounts, business conduct, orders and transactions, ethics, the primary marketplace, the secondary market, economics, analysis, equity securities, debt securities, packaged securities, options, retirement plans, and savings accounts. The study outline includes details on the math formulas needed for the test. The study outline is based on the exam syllabus and contains the information on the required knowledge areas that could most likely be asked in the form of a multiple choice question.
