Oxford University Press, United Kingdom, 2015. Paperback. Book Condition: New. Reprint. 229 x 155 mm. Language: English . Brand New Book. In this sweeping narrative history from the Great Depression of the 1930s to the Great Recession of today, *Caring for America* rethinks both the history of the American welfare state from the perspective of care work and chronicles how home care workers eventually became one of the most vibrant forces in the American labor movement. Eileen Boris and Jennifer Klein demonstrate the ways in which law and social policy made home care a low-waged job that was stigmatized as welfare and relegated to the bottom of the medical hierarchy. For decades, these front-line caregivers labored in the shadows of a welfare state that shaped the conditions of the occupation. Disparate, often chaotic programs for home care, which allowed needy, elderly, and disabled people to avoid institutionalization, historically paid poverty wages to the African American and immigrant women who constituted the majority of the labor force. Yet policymakers and welfare administrators linked discourses of dependence and independence-claiming that such jobs would end clients and workers dependence on the state and provide a ticket to economic independence. The history of home care illuminates the fractured evolution of the modern American welfare state since the New Deal and its race, gender, and class fissures. It reveals why there is no adequate long-term care in America. *Caring for America* is much more than a history of social policy, however; it is also about a powerful contemporary social movement. At the front and center of the narrative are the workers-poor women of color-who have challenged the racial, social, and economic stigmas embedded in the system. *Caring for America* traces the intertwined, sometimes conflicting search of care providers and receivers for dignity, self-determination, and security....
