

Growing and Eating Green

By Suzy Gazlay

Crabtree Publishing Co, Canada. Paperback. Book Condition: new. BRAND NEW, Growing and Eating Green, Suzy Gazlay, "Green-Collar Careers" is a fascinating new series that focuses on 'green' careers. The scope of the fields is broad and detailed, showing all kinds of rewarding and interesting jobs that address issues of conservation and environmentalism. Each title in the series features: mind-portraits of people working in careers; a special section to help readers explore their own interest in, and aptitude for, each field; and, further information, additional readings, and websites. Come inside for a fresh look at careers in 'green' food, from planting to cultivation, and merchandising to selling. In addition to the 'greening' of conventional methods of food production, this book examines careers in alternative energy, equipment, packaging, and delivery systems.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
